

**Free Boutique with TONEX Pedal**  
FREE Signature Collections with TONEX ONE and TONEX  
Pedal

**Starts 12/01 thru 12/30**

For a limited time, purchase **TONEX ONE** or **TONEX Pedal** and get a **FREE** Signature Collection (or two!) of Boutique Tone Models.

We're celebrating the release of **Boutique Overdrives** by including it for **FREE** with new TONEX ONE or TONEX Pedal purchases. This Signature Collection for TONEX features 50 Tone Models based on a **JHS Morning Glory V4, Catalinbread Tribute, Westminster Effects 1689 V2 and EarthQuaker Devices Life Pedal**.

All four are classic overdrive pedals that we captured using different settings to give you a broad spectrum of overdriven sounds — from subtle clean boosts to the blooming edge of breakup — all crafted to push an amp into sonic heaven in new and exciting ways.

The Boutique Overdrives collection is perfect for live performance with TONEX ONE or TONEX Pedal. If you choose to grab TONEX Pedal, you'll also get ODS Legends, a Signature Collection of 20 Tone Models based on 4 priceless Dumble Overdrive Special amplifiers.

**Gain an arsenal of boutique tones at once. Visit an authorized IK retailer today and grab one of the following:**
